# Photo Selection Guide
Golden Bell

Please adhere to the following specifications when selecting your 3 (three) high quality photos for submission:

› File size should not exceed 4.0 MB

› Minimum 750 pixels wide (see screenshot below)

› Full color, unedited photos are preferred

› Orientation should be landscape, not portrait

Please use your best judgment as to whether the photo is crisp, clear and print-quality. Remember, these photos will be used in a variety of media formats to showcase winning programs!

Check the file size and pixel width of your photo

› To check the file size and pixel width of your photo on a Windows computer, right-click on the photo or file name and select "properties".
